MESSAGE FROM THE FOUNDER

Thank you for reviewing the Cool Kids Campaign 2018 Annual Report. Our mission from day one has been to provide kids with cancer and their families a higher quality of life. We think kids are cool – sick or healthy!

When Cool Kids Campaign was established in 2006, some wondered where the idea of assisting kids with cancer would lead us and how we would stand apart from similar organizations. Looking back over the past nine years has allowed us to know one thing for sure – Cool Kids Campaign has significantly and directly impacted hundreds of children and their families across the country as they have utilized our free programs.

We have been asked, is it difficult to be around children with cancer? No. There is nothing hard about possessing an endless passion to serve kids with cancer and to help add a bit of happiness to their lives. We feel truly blessed to have this opportunity – one we do not take for granted. Since we have strived to design programs that directly impact the kids, we take great pride in our Cool Kids Clubhouse, established fall 2011. Keep in mind that we believe this is just the beginning of a vital need to serve more kids with cancer in Maryland.

With the continued support of sponsors and donors – people like you – we envision extending our reach. There is unlimited potential! To learn more about our foundation, visit us online at coolkidscampaign.org.

My gratitude on behalf of the Cool Kids,
Chris Federico, President and Founder
SMILE CELEBRATIONS – A new program for 2018 was designed for our Cool Kids to celebrate their birthday or other important milestones such as the end of cancer treatment.

MOVIE NIGHT – Our Cool Kids and their siblings are able to play, make crafts, and watch a movie while their parents enjoy an evening out.

MOMMY DROP OFF – This is a weekly program designed to take place during summer where parents drop off their Cool Kids at the clubhouse for a few hours to do arts and crafts.

CARE PACKAGES – Our customized care packages are sent to pediatric oncology patients across the U.S. The items in these care packages are carefully chosen by our Care Package Coordinator, Patty Douglas.

CAMP – This camp is the only local camp that invites both the patients and their siblings to share in a special weekend. An added bonus is that so many of our Cool Kids were able to be together for a long weekend where they could strengthen their bond with all of their Cool Kid friends.

TUTORING – Students are paired with volunteer tutors (typically retired or active teachers) who assist with schoolwork and subjects where the child requires extra assistance.

CONNECTION NEWSPAPER – This is an interactive and positive newspaper that is written by the kids with cancer for the kids with cancer. Mailed to many pediatric oncology hospitals across the country.
YOU ARE NOT ALONE

Our book is a compilation of advice for newly diagnosed patients by current and surviving families and Cool Kids. This book takes a new family from the initial diagnosis through each stage of their cancer treatments to survivorship. The book touches on the good and bad they may find along the way, including a lot of helpful hints they will find useful.

CANCER FEARS ME!

Our Cancer Fears Me merchandise provides a strong and powerful statement to all of those diagnosed and living with cancer. Our Cool Kids families have adopted this slogan as their rally cry throughout their entire cancer journey. In addition we include a Cancer Fears Me item with every care package we send to our Cool Kids.

Chris was born and raised in Baltimore and graduated from Loyola-Blakefield High School and Villa Julie College. His passion to create this foundation derived from the loss of his mother, Susannah Federico, to Leukemia in 1995. Chris understands how blessed he is to be surrounded with an outstanding board, wonderful staff, and the best “cool kids” and their families. He feels privileged to be in a position to help families, knowing that Cool Kids Campaign is making a positive difference in their lives.

Janet was born and raised in Baltimore. She worked as a manager in operations for Alex Brown & Sons and Deutsche Bank. Janet has known Chris Federico, a former colleague from Alex Brown since 1993. She began volunteering with the Cool Kids Campaign in the fall of 2017. Janet enjoyed the time spent at Cool Kids Campaign and realized she was qualified for the operations position when it became available. She is excited to work with this incredible organization and is impressed with the passion, dedication, and support of the team. Janet lives in Towson with her husband JR.

Renee is a Baltimore native who spent the majority of her career in corporate banking, most recently as a Treasury Management Senior Vice President at PNC. During her banking career, she indulged her passion for working with nonprofits by serving on the PNC Charitable Contributions Committee and holding officer positions on the boards of Alzheimer’s Association of Greater Maryland, Arts Education in Maryland Schools, and American Visionary Arts Museum. She holds a Business and Marketing BA degree from the University of Baltimore and a Masters in Business from Notre Dame of Maryland University. She is the recipient of a Pollard Prize for Leadership and a Gallup Great Workplace Award for Management Excellence. Renee is excited to use her experience to help Cool Kids reach even more families.

Julie was born and raised in Baltimore, Maryland. She has years of experience working with children of all ages. Julie graduated from Salisbury University in 2015 with a degree in Interdisciplinary Studies with concentrations in Psychology and Social Work. During her time at Salisbury she interned at Wicomico County Local Management Board where she helped the director with an anti-bullying project and raised money with her sorority for Children’s Miracle Network Hospitals. When Julie is not working or studying, she is a soundtrack vocalist for composers nationally and internationally. She is very excited to start a new opportunity working with the Cool Kids Campaign while also continuing to pursue her Masters in Social Work.
PATTY DOUGLAS - CARE PACKAGE COORDINATOR

Patty was born and raised in Maryland. She spent the early part of her adult life raising her four children on her horse farm located in Northern Baltimore County. Patty has always had a desire to help others, first she worked at a PT office for eight years, then she started cooking for people who were fighting a battle with cancer. In 2011, Patty started as a volunteer making care packages at our Cool Kids Clubhouse. Since then, Patty has not only put our care packages together, but has added a personalized touch to every package she sends to our Cool Kids and their siblings around the country. In addition to the care packages, Patty also assists our staff with many of our events and fundraisers.
